

COLLEGE OF AGRICULTURE, ENVIRONMENT AND NUTRITION SCIENCES

Department of Agriculture, Environment and Nutrition Sciences

Subject: Sponsorship for Tomorrow's Agricultural Professional Symposium

Greetings Potential Partners,

On behalf of the planning committee for the **2026 Tomorrow's Agricultural Professional Symposium**, we are excited to extend an invitation for your organization to partner with us in shaping the next generation of agricultural leaders.

Each year, Tuskegee University's College of Agriculture, Environment and Nutrition Sciences hosts over 100 high school and more than 100 undergraduate students in a professional development symposium; Tomorrow's Agricultural Professional Symposium (TAPS). The symposium brings together students, educators, industry experts, and community stakeholders to engage in networking, and career exploration as a reflection of our commitment to increase the awareness of educational and career opportunities in the fields of food, agriculture, natural resources and related sciences (FANRRS).

This year, the **2026 Tomorrow's Agricultural Professional Symposium (TAPS)** will be held on October 24 - 25, 2026 at Tuskegee University, in conjunction with the 84th Annual Professional Agriculture Workers Conference (learn more at pawc.info).

In a shared vision of cultivating future talent and advancing agricultural innovation, we would be honored to have you join us as a sponsor for this annual event. Your involvement is an opportunity to showcase your organization and support our events' agricultural education and workforce development activities as you connect directly with tomorrow's agricultural professionals, students, educators, and industry leaders!

We will proudly recognize all sponsors in our event program, social media promotions, and on-site signage.

I would be happy to discuss how your organization can be featured in this impactful event. Please feel free to contact Lakiah Clark at llark1@tuskegee.edu with any questions and to confirm your participation.

With appreciation,

2026 TAPS Planning Committee

Dr. Olga Bolden-Tiller, Program Director

Ms. Lakiah N. Clark, Program Manager

Mrs. Janet Sullen, Program Coordinator

110 Henderson Hall
